works as detailed in the estimate and such rates should hold good till the completion of the works. For non-tendered items of works, rates as per current schedule rates of 1948-49 will be allowed. Rates should be noted both in words and figures, failing which, the tender will be rejected.

3 The tenders in the prescribed form obtainable from the office of the undersigned should be addressed to the Executive Engineer, Kolar Division, Kolar, in a sealed cover superscribed as above and the name of the tenderer should be noted on the above.

4 Each tender must be accompanied by a duplicate chellan for having credited into the Kolar District Treasury the earnest money deposit noted above for each of the work, under "40 (i) Payments into Treasury by P.W.D. Officers" or Mysore Government bonds duly endorsed at the face value or the market value whichever is less.

5 The final acceptance of the tender rests with the Superintending Engineer, Tumkur Circle, Tumkur, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any. In all matters of dispute regarding the rates, etc., the decision of the Superintending Engineer, Tumkur Circle, Tumkur, will be final. The approved tenderer should bind himself to abide by the departmental rules in force and execute the *mutchalika* on receipt of information of acceptance of his tender, failing which, his earnest money deposit will be forfeited to Government.

6 The estimated quantity, and the plan and the contract agreement form defining the condition to the tender, etc., can be seen in the office of the undersigned on all the working days.

CHITALDRUG DIVISION.

Notification dated 7—9th August 1952.

Sealed tenders will be received at the Office of the Executive Engineer, Chitaldrug Division, up to 4 P.M. on 12th September 1952, for the following work:—

Taluk	Name of work	Amount of estimate.	Earnest money
Molakalmuru	Balance works for the construction of new building for Middle School at Rampur, Molakalmuru Taluk.	Rs. 13,325	Rs. 665

Tenders in the prescribed form obtainable from the office of the Executive Engineer, Chitaldrug, should be addressed to the Executive Engineer, Chitaldrug Division, in a sealed cover and superscribed as "Tender for Balance Works for the construction of new building for Middle School at Rampur, Molakalmuru Taluk." The name of the tenderer should also be noted on the top of the cover.

Each tender must be accompanied by a treasury chellan for having deposited the required amount as noted against the work as earnest money under "S. Remittances to P.W.D.". No cheques will be accepted for earnest money. Requisition for adjustments of any dues from the Government to the contractor for earnest money will not be entertained.

The final acceptance of the tender will rest with the Executive Engineer, Superintending Engineer, or Chief Engineer, as the case may be, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any.

The successful tenderer should execute a contract agreement within a fortnight from the date of communication of approval to him.

The earnest money of the rejected tenderers will be refunded on application only after any of the tender is received approved or two months after the receipt of tenders, if the tender of the successful contractor has not been received approved. Copies of estimates and plans can be seen in the Office of the Executive Engineer, Chitaldrug Division, on all working days between 11 A.M. and 5 P.M.

Specific rates should be quoted both in figures and in words for each individual items of works. Tenders offering percentage reduction or increase will be rejected.

For all lumpsum items, only the minimum schedule of rates or data *plus* 10 per cent will be given if the rates do not appear in the schedule of rates.

All over writings and corrections while submitting the tenders should be attested by the tenderer.

The quantities given in the estimate are only approximate, and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions and additions at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the estimate.

The contract should not be sublet.

The contractor should make his own arrangements for transportation of materials.

Only Chamundi Brand cement must be used for the construction. The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution
